BIBLE STORY: God Is Holy (Isaiah 6; 53)

BIBLE TRUTH: Worship leads us to celebrate and share the greatness of God. We tell others about Jesus so they will hear and believe the good news.

In this final week of a unit about worship, we learned how worship changes us. Your kids explored how worship leads us to celebrate the greatness of God, and therefore, leads us to tell others the good news about Jesus.

To understand this truth, kids heard the story of Isaiah, a prophet who vowed to go wherever God sent him and to do what God asked of him. He spent his life prophesying about the coming Messiah—telling others the good news of Jesus. As we continue in lifestyles of worship, we grow closer to God. The Holy Spirit makes our desires into His desires. This process is called sanctification: the process of becoming more like Jesus by the power of the Holy Spirit.

This week, help reinforce the need for a worshipful way of living. Lead your kids to understand that being in the presence of God motivated Isaiah toward surrender and action to obey and follow God's will and plan for his life, and it can do the same for us! You can do this by leading your family in this worship. Ask questions about how you can all glorify God as each day begins. Play worship music in the car. Pray as a family, and lead your kids to do the same. Above all, encourage your kids that we do not have to be at church to worship, but we should be worshiping in every aspect of our lives.

In the Temple	Yes! He went to preach the good news to Judah.	No! He would come back to life.
On a throne	God would send a Messiah.	Because when He was in God's presence, he was motivated to share God's good news with Judah.
"Holy, holy, holy is the Lord; His glory fills the whole earth."	He would be a servant who would suffer and be a sacrifice to rescue people from sin.	He was excited to be sent out by God.
He didn't think he deserved to be in God's presence.	They won't notice Him or even like Him very much.	Worship leads us to celebrate and share the greatness of God. We tell others about Jesus so they will hear and believe the good news.
A heavenly being brought coal and touched Isaiah's lips.	Yes. He would love God's people enough to suffer for them.	
He said, "Here am I! Send me!"	The Suffering Servant	

MISSIONS INSTRUMENTS

I teach piano lessons in my home. I get to know my students and their families and tell them about Jesus.

Most people in my country haven't seen drums like these. When people ask me about them, I build friendships that lead to me sharing my faith.

People often ask me to play my trumpet at weddings and special events. I give everyone I play for a Bible.

This is the most important instrument I use. This is the Word of God that leads people to Jesus.

Since I play the guitar, I've joined a band. My band members are learning about my belief in Jesus. I pray they will choose to believe in Jesus too.
